

BLACKDOWN
FARM VETS

Be Prepared for Housing!

11:00 Friday 9th September 2022

Farm walk and discussion for beef and dairy farmers on the principles of preventing pneumonia, utilising buildings to maximise performance and parasites in your herd at housing – free and open to all.

- 'Building a resilient calf' – Rebecca Cavill MRCVS Boehringer Veterinary Advisor
- 'Utilising your housing' – William Goulden MRCVS Blackdown Farm Vets and Colin Bourner from Rumitech
- 'Internal and external parasites' – Veterinary Officer, VLA Starcross

We would also like to introduce you to our bespoke service to support calf rearing on your farm, presented by Lottie Birchall MRCVS, from Blackdown Farm Vets.

Lunch and Refreshments included

By kind permission of the Williams family, Higher Hampton Farm, Shute EX13 7PA

What3Words location: stir.waltzes.blatantly
